Candidate Remarks:

I have spent over two decades developing my leadership and management skills that I can utilize to help the State Association. I have tried to be a leader in the short time I have been in real estate. I serve on multiple committees, and the board, and help my local association in anyway I can. I have been helping almost since day one of getting into real estate. Still being relatively new to the industry, I would also bring a new perspective to the State board, and some out of the box thinking to best serve our membership.
