Candidate Remarks:

I have spent over two decades developing my leadership and management skills that I can utilize to help the State Association. I have tried to become a leader in the short time I have spent in Real Estate. I currently serve on 7+ committees & task forces, and both boards for my local association. I try and help my association in anyway possible. I also serve as the State President for CRS. Still being relatively new to the business I could bring a new perspective to the IAR board, and some out of the box thinking to help best serve our membership.
