I have been an active full time Realtor for almost 20 years. Since 2008 I have stayed involved at MIBOR in some sort of capacity either with Professional Standards or Grievance until being elected Director. The last 3 years have been an eye opening experience for me. I have gained so much knowledge and it has inspired me to be even more involved and continue to learn. I had no idea what actually went on behind closed doors at MIBOR. I only paid my dues. Now, I have a deeper appreciation of our professional organizations both State and locally. I am at the point in my life where I need and I want to give back. I am hoping to continue my education while dedicating my time to the IAR Director position.
