It has been my privilege to serve on the IAR Board of Directors for the past four years, first as the Large Board President representative and currently representing Region 6. My career background outside of real estate includes 17 years in college athletics; 10 years as a women's basketball coach at the University of Louisville and seven years as the media relations director for Purdue women's basketball and women's golf. I have spent the last 6.5 years as the managing broker for Semonin Realtors' Southern Indiana office and I appreciate the opportunity to help positively impact the industry in our area and at the state level. I believe in the work being done to support the individual agent and raise the profession as a whole. I feel compelled to do my part in the process and would be honored to serve another three-year term on the IAR board of directors.
